

In compliance with Regulation 305/2011/EU of the European Parliament and of the Council of 9 March 2011 (the Construction Products Regulation or CPR), this certificate applies to the construction product

**Structural welded steel components and kits
Execution classes EXC1, EXC2 and EXC3**

**Structural non-welded aluminium components and kits
Execution classes EXC1 and EXC2**

Declaration of essential characteristics: ZA.3.3 (Method 2)

produced by or for

Aerial Oy

Pietolankatu 9 A, 04410 JÄRVENPÄÄ, FINLAND

and produced in the manufacturing plant(s) Parelco Oy, Kesälahti, Finland

This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in Annex ZA of the standard(s)

EN 1090-1:2009+A1:2011

under system 2+ are applied and that

the factory production control fulfils all the prescribed requirements set out above.

This certificate was first issued on **2014-04-29** and will remain valid as long the test methods and/or factory production control requirements included in the harmonised standard, used to assess the performance of the declared characteristics, do not change, and the product, and the manufacturing conditions in the plant are not modified significantly. The validity of the certificate can be checked on the Internet at www.inspecta.fi.

Inspecta Sertifiointi Oy, notified body No 0416, has issued the certificate on 2014-06-05

Tomi Kasurinen, Managing Director
